CLOSING TIMES

Over the last month we have had a large number of children
being picked up after 6pm. We ask that all parents keep in
mind that our last time for pick up is 5.55pm. Especially in
the coming month with severe cold and snow weather keep in
mind travel times can be longer if you can ensure there are
alternative arrangements in place.

OUTDOOR CLOTHING

Can all parents please ensure children have warm & waterproof
clothing as it is important all children are outdoors everyday.
We recommend a full outdoor suit, welly boots, hat, scarf &
gloves for the cold winter weather.

PAINT A PLATE

Steve from Paint a Plate will return
on Thursday 28th February. (Sample
of his work will be in hallways). He
will be available from around 9.30am
and even if your child does not at-
tend that day, you are free to bring
them along and have them create a
lovely memento/gift. (Mother's Day
is coming up 31st March).

GLASGOW MUSIC FESTIVAL

This year another 24 children from
the 3-5 room will attend the Glas-
gow Music Festival and will sing an
original piece that they have cre-
ated with Mae the music teacher
along with our Buttons and Bows
song. More information to follow.
